PICKERINGS LIFTS
ACCESS PRODUCTS

Pickering's Lifts' Access Products division has over 150 years of expertise in providing the right products and services that give access for all.

As the leading and largest independent lift manufacturer based in the UK, we are specialists in the supply and installation of vertical and incline platform and step lifts. Our extensive access range is designed to provide users with easy access into new and existing buildings.

We can provide you with comprehensive design, installation and maintenance services backed up by a nationwide network of engineers, providing 24 hour, 365 day support.

We offer:

- Product and application advice
- Design and site drawing preparation
- Guidance to site preparatory service
- Full installation
- Dedicated customer support team
- Regular maintenance and emergency breakdown service
- All work fully guaranteed and backed up by ISO9001:2000 accreditation
